HP Universal Port Replicator

Meet your go-to, platform-independent hot-desking solution for charging your notebook, getting online, and immediately connecting to an external display and up to six USB-connected devices.[1]

- Select frequently-used peripherals[1] and connect to them with one USB cable from your notebook to the port replicator. Connect to your devices with two USB 3.0 and four USB 2.0 ports. Add a standalone display with DiplayPort and HDMI connectors.

- Get online with 10/100/1000 Ethernet. Enjoy seamless web conferencing with integrated headphone and microphone inputs that support headset and microphone capabilities on the connected notebook (if available).[2]

- To charge your notebook while you work, pick your PC's power connector from one of a dozen included swappable tips, attach it to the power cable and plug in. It's that easy!

- Get the reassurance of a one-year parts replacement limited warranty.
